

Year 5  
Spring 2019

# Send Year 5 to camp!

## English:

The children will be studying a persuasive letter, which will encourage them to use modal verbs and factual information in order to persuade people to support their campaign of raising money for camp. The children will be focusing on the use of persuasive devices within the text and will then be learning how form a clear and evidenced argument. They will have the opportunity to decide how to present their final piece which will contribute to their team's efforts.

The children will be continuing to participate in reading skills sessions and will have a spelling test on Monday. Please look out for their personal spellings written in their home school books. Grammar and punctuation lessons will continue and you can keep up-to-date with our learning within Seesaw.

**Homework:** Look out for any additional opportunities for children to fundraise at home. There will also be MyMaths and spellings each week. A particular focus on times table learning at home will support learning in school.

## In addition...

The children will have ownership of raising money for their group by having a stall at the year 5 fair. They will have responsibility of deciding on a product or activity to advertise at the fair. The children will first have to pitch this idea to their teachers, ensuring that their designs and costing are well thought out.

**Our Challenge:** can we persuade people to support our campaign.

**Outcome:** Children will help to plan and support an Easter fair to raise money for camp.

## Computing & Art

The children will be designing posters and displays for their groups' stall. The children will also be using their computing skills to improve their knowledge and use of spreadsheets that will be used for costing their products.

**Other subjects:** The maths focus will be on addition and subtraction. Children, as ever, should be confident with all times tables up to 12 x 12 and beginning to recall square and prime numbers up to 50. PE will be this half term on a Wednesday and Friday. 5LW will have swimming on Friday afternoons.

## In Other News...

Please look out for any events happening around school to boost our opportunities fund for all children.

Thank you to parents/carers for all your hard work reading with children at home-please make sure you continue to sign the home-school books. Our target is four signatures a week.
