Spring / Summer 2019

Exeter Chiefs Tag Rugby Tournament

A group of our Year 4s, who had completed a Health Lifestyle Programme at the School with the Exeter Chiefs, attended a tag rugby festival at Exwick Sports Hub.

Curledge Street played a total of 6 games. We won 2, drew 2 and lost 2. Bay Belcher was the top scorer on the day with 10 tries in total! Well done Bay.

Everyone who took part in the tournament were excellent role models for our school, working really hard and giving 100% effort.

Paignton Schools' League Finals Night

Staff at Curledge Street organised the finals night for the League at Stoke Gabriel Football Club on Monday 1st April. Over 120 year 5 and 6 boys and year 3 and 4 boys from Paignton took part. The Academy teams both played in the cup competition and both year groups missed out on winning the cup by a whisker, finishing second by just 1 goal in each of their games.

The event was sponsored by Saints South West, who kindly donated the league winners cup, the cup winners cup and each player went home with a medal.

Thank you to all the parents who came to support and the staff for organising the event - it was a fantastic evening of great football!

CSA runners up in Torbay Rounders Tournament

Curledge Street made it through to the Torbay Rounder's Finals at Quinta Playing Field Torquay. The team played 5 games in their group and won them all, scoring 41 rounders in total and only conceded 13 ½. Their closest game was against Kings Ash with the team winning by only 1 ½ rounders.

We then played against St Margaret's Primary School who had won their group.. The winner would represent Torbay in the County finals. Curledge Street fielded first, and St Margaret's got off to a flying start, scoring 2 rounders off the first 2 balls.

Curledge Street then took control of the game with some fine fielding and catching. When it came to batting Curledge Street struggled at first to find their scoring rhythm, but soon got into the swing of things. The final score was Curledge Street 4 ½ rounders and St Margaret's 5 ½ rounders.

Mr Titchard and Mr Osman would like to thank the boys and girls who took part in the finals, and would like to add that the boys and girls represented the school in a respectful manner and were a credit to the School

Torbay Half Marathon

The School yet again entered into the Torbay Half Marathon for the 3rd year in a row. The pupils, parents and teachers at the School ran a mile each Friday from March 1st. On the day of the official race Curledge Street Academy was the most represented school at the race with a record breaking 120 participants taking part. The School would like to say a massive thank you for all the parents who not only took part in the race, but to those of them that gave up their Friday afternoons to marshall the track at the School. Without your help our weekly run would not of happened.

The event raised more than £2000!

Quad Kids

CSA took part in Devon Summer School Games on June 19th at Exeter Arena. Being successful in the first round of the Quadkids athletics we qualified for the county finals. 8 children from CSA competed against 16 other schools. Each child had to undertake a 75m sprint, 600m run, air vortex and standing long jump. We finished in 7th place overall - a fantastic achievement at county finals level! We had some great individual scores - Naite received a medal for his passion during the 600m, Theo finished 5th out of the 64 boys that ran the 75m, Cohen finished 4th in the 600m, Ruby finished the air vortex in 6th position with Sam finishing 5th, and Nia finished 1st in the standing long jump out of 64 girls, 3rd in the 75m and finished 2nd overall out of all 128 children.

All children who took part did fantastically well and did the school proud with their performances and behaviour.
